

Sample Prayer Concerning Response to Attacks Against Individuals or Groups

We regularly receive information concerning attacks against the body of Christ designed to bring discouragement and hopelessness into God's people. This is a sample prayer produced by Joshua World Ministries to combat these attacks. Please feel free to contact us with questions or comments and to send this prayer to anyone you know who may be interested.

In the name of the Lord Jesus Christ, and by the power of His shed blood, we now proclaim the destruction of all the words, proclamations, curses, and ungodly blessings that have been spoken by anyone, in any time, space, or dimension, in order to make war against any members of the body of Christ. We now proclaim the destruction of all works of witchcraft, magic, and everything else serving Satan's kingdom produced by Satan's servants to make war against the body of Christ directly or indirectly. We proclaim all these efforts, serving Satan's kingdom, are destroyed now by the power of the shed blood of the Lord Jesus Christ.

We proclaim that all the energies and sin-based sacrifices produced for, or used for, the purpose of making war against any member of the body of Christ, directly or indirectly, must now be given to the Lord Jesus Christ because He alone has paid for all our sins and all the sins of the world, and He alone is worthy to receive these sacrifices. We command everything serving Satan's kingdom that has received these sacrifices and energies to turn them over to the Lord Jesus Christ, now, to strengthen His sword to make war on our behalf and on behalf of His kingdom in this world.

Lord Jesus, as You are the invincible Lord and the Captain of the host, we give these battles into Your hands. We ask You to send Your heavenly Host to enforce these proclamations and commands. We ask You to win the victories for Your namesake because You have made us to be more than conquerors. We thank You Lord for filling our hearts with faith, confidence, and encouragement. Amen!
