

## **Prayer Against Satanic Influences Over Hurricanes**

In the name of the Lord Jesus Christ, and by the power of His shed blood, I (we) command that all sin-based proclamations, prayers, commands, or words that have been spoken or used to influence the track of hurricane \_\_\_\_\_ are nullified and cast to the ground without power. I (we) command that all sin energies and sacrifices produced or used to influence the direction, intensity, or pattern of this storm are now stripped away from everything serving Satan's kingdom, in any time, space, or dimension, and must now be given to the Lord Jesus Christ.

I (we) proclaim that this storm shall take the path intended, and execute any judgments decreed, by the Lord of hosts, and bring moisture, cleansing, and healing to the land as intended by our God.

Lord Jesus, as You have made us to be more than conquerors and because You are the invincible Lord and Captain of the host, I (we) give these battles into Your hands. I (we) ask You to send forth Your heavenly host to enforce these proclamations and commands that have been made in Your Name, and win the victories for Your namesake. Amen!

(Another example of a way a similar prayer could be used is what we are praying for the southwestern United States, which has been experiencing a severe drought for the past several years. We are praying that the rains shall come, in both the natural and spiritual, to nullify the effects of drought, fill the lakes and reservoirs, replenish the water tables, and bring life, restoration, and healing to the entire Southwest.)

Amen!
