

## **Prayer Against Satanic Forces Causing Global Warming, Drought, and Famine**

In the name of the Lord Jesus Christ, and by the power of His shed blood, I (we) command, on behalf of this spiritual territory and any other spiritual territory over which I (we) have been given any measure of spiritual authority, that all sin-based proclamations, prayers, commands, or words that have been spoken or used to bring about drought, famine, global warming, and all effects of global warming are nullified and cast to the ground without power.

I (we) command that all sin energies and sacrifices produced or used to cause drought, famine, global warming, and all effects of global warming are now stripped away from everything serving Satan's kingdom, in any time, space, or dimension, and must now be given to the Lord Jesus Christ to strengthen His sword to make war on behalf of the spiritual territories affected by my (our) prayers and on behalf of His master plan for the world.

Lord Jesus, as You have made us to be more than conquerors and because You are the invincible Lord and Captain of the host, I (we) give these battles into Your hands. I (we) ask You to send forth Your heavenly host to enforce these proclamations and commands that have been made in Your Name, and win the victories for Your namesake.

Amen!
